# ENERGY SERVICES

## RETROFITS & UPGRADES

Working closely with you, our service providers can identify and facilitate the installation of energy- and water-saving measures to help benefit your bottom line with minimal disruption to your business.

- Lighting Retrofits/Upgrades
- Motor & Drive Upgrades
- HVAC Maintenance/Upgrades
- Water Conservation Upgrades

## ASSESSMENTS

Any issue within a system can reduce its efficiency, wasting steam and electricity. Services to address these issues include steam leak identification and mitigation, defective steam trap replacement and upgrades, infrared studies and insulation upgrades. Adjustments will be made to your steam system to help immediately reduce operational costs.

- Steam System/Trap Assessments/Upgrades

## MIDSTREAM UTILITY REBATE INCENTIVES

Grainger can help you meet your energy reduction goals by offering discounted energy-efficient products through Midstream Utility Incentive Programs in various areas across the U.S.

- If eligible, Grainger delivers rebates on approved energy-efficient products
- Once enrolled, the process is automatic with the purchase of eligible energy-efficient products
- Rebate is credited to your Grainger account

## SYSTEM STUDIES

Any issue within a system can reduce its efficiency, wasting energy. Adjustments will be made to your air supply and dust collection systems to help immediately reduce operational costs. An air or dust system audit may be required, especially if they have not been examined recently.

- Compressed Air System Studies/Upgrades
- Dust Collection System Studies/Upgrades

## INSTALLATION

Electric vehicle charging stations at your facility can help advance your sustainability goals while improving your corporate image. It can also help save your customers, employees and business partners thousands of dollars. We can offer site evaluation, product recommendations and installation.

- Electric Vehicle Charging Station Installation

Contact your Grainger Rep for details, availability and eligibility of these and other services. Services provided by a third-party provider may be subject to a fee agreement between Grainger and the provider.

# FACILITY SERVICES
