

### Confined Spaces: Permit-Required

**Instructions:** This checklist is intended to help you identify potential hazards in your workplace. The questions are based on applicable Federal OSHA standards. Keep in mind that additional state and local regulations may apply, depending upon your location. Please check one answer for each question. If you select “no,” you should investigate further to determine what corrective action may be needed to address the hazard. You can review the specific OSHA Standards outlined below at [www.osha.gov/law-regs.html](http://www.osha.gov/law-regs.html). Choose “General Industry” or “Construction.”
