

HEALTHCARE WEBINAR

Are Your Fire & Smoke Doors Ready for Inspection?

October 30, 2018

2 to 3 p.m. ET 1 to 2 p.m. CT Noon to 1 p.m. MT 11 a.m. to Noon PT

> ABOUT THIS WEBINAR

This webinar will focus on strategies and programs to help you become more safe and compliant with fire and smoke doors in the healthcare built environment. While past webinars have focused on codes and standards, this webinar will focus on practical program challenges and applications. We will evaluate key challenges hospitals face with employees, contractors, work permit programs, maintenance and internal audit strategies.

This webinar is part of a larger Grainger program that consists of insightful articles, on-demand webinars, case studies and comprehensive solutions.
