

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Critical Temperature Thermometers	Cooper Atkins, Traceable	<p>Cold temperature thermometers are calibrated for use in refrigerators and freezers and frequently include a solution-filled bottle that simulates the temperature of other stored liquids. These thermometers provide readings of both fluid and air temperatures, to help maintain proper air temperature for storing sensitive medical and scientific liquids such as vaccines, body fluid samples, reagents, and more.</p> 
Insulated Shipping Kits	Heathrow Scientific, Polar Tech, Thermosafe, Xploro	<p>Insulated shipping kits protect perishable items during transit and prevent excessive heat or cold from damaging the products. They consist of an insulated foam or plastic container and shipping box. Foam or plastic containers help keep temperature constant inside the box when shipping food, beverages, or pharmaceutical products. Laboratory shipping kits hold specimen bottles and containers.</p> 
Laboratory Refrigerators & Freezers	American Biotech Supply	<p>Discover Grainger's line of laboratory refrigerators and refrigerator freezers. Increase your laboratory storage space and keep special samples in their due temperatures. Help process various laboratory tasks with our refrigerators and freezers. We carry those that can store fewer, smaller items and those that can fit a larger and a greater number of items. We sell different models, with some that feature single or dual doors and others that are built to be placed under counters. You'll also find automatic refrigerators and ones that serve both as a refrigerator and a freezer.</p> 
Nonelectrical Properties Data Loggers	Extech, Cooper Atkins, Lascar, Monarch, Traceable	<p>Let Grainger help ensure you have the data you need with the right nonelectrical properties data loggers. Use a water-resistant pressure data logger to help measure water, gas or oil pressure. Track temperature, humidity and dew point trends with a data view logger that can instantly display and continually graph variables in real time. Choose an air quality carbon dioxide data logger to monitor temperature, humidity and CO2 levels. Shop Grainger now for nonelectrical properties data loggers!</p> 
Shipping Cold Packs	Polar Tech, Thermosafe	<p>Cold packs maintain consistent temperatures inside shipping boxes of food, beverage, or pharmaceutical products. These packs are soft packs or hard plastic cases that stay cold once frozen. Cold packs are added to insulated boxes or pallets of perishable products to keep them from spoiling.</p>

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

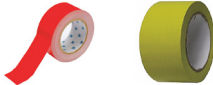

CATEGORY	BRANDS	RANGE OF PRODUCTS
Specimen Transport Coolers	Thermosafe, Polartech	Maintain proper temperature with specimen transport coolers from Grainger. They come in a range of sizes and are designed to keep medical supplies or specimens cold for extended periods of time while in transit. They are suitable for a range of applications including EMT, Fire & Rescue, Pharmaceutical transport, growth hormone, vaccine travel kits, IV Fluids, specimen and biohazard transport. 
Temperature Test Strips	Taylor, Tempil, Thermax, Wahl	A temperature test strip from Grainger can be the perfect solution for monitoring material and surface temperatures and warning of potential burn hazards or machine overheating. Choose from a variety of temperature ranges in Fahrenheit or Celsius readings. All can provide accurate temperature readings within plus or minus 1 percent. Choose dishwasher temperature test strips to help verify proper sanitizing. Find reliable temperature test strips for industrial and commercial use at Grainger. 
Cryogenic Supplies	Wheaton, Heathrow Scientific, Argos Technologies, Magic	When you need high-quality cryogenic supplies to help keep specimens and tissue samples cold, turn to Grainger. Ice pans and buckets with lids feature superior insulating properties and high chemical resistance, so they are compatible with wet ice, dry ice, ice-salt slurries, dry ice solvent slurries and more. Choose from a variety of sizes and different colors to help you color-code contents. Also find dry ice machines, cryogenic vial boxes and more. 
Cryogenic Gloves	National Safety Apparel	Cryogenic gloves protect hands when handling extremely cold materials down to -300°F. The exterior of the glove repels liquids. These gloves are worn when processing frozen food, working in blood banks and labs, and when handling liquid nitrogen and dry ice. 
Electrical Generators	Briggs & Stratton, Champion Power Equipment, Dayton, Generac, Genie, Honda, Powerboss, Reliance, Square D	Electrical generators power jobsite equipment in remote areas or provide backup power during power outages. Generator tower lights are tall lights powered by small electric generators. They provide lighting for worksites and outdoor events at night and in low-light conditions. Generator switches let users switch between utility and generator power. Generator supplies (such as maintenance kits or cold weather kits) help keep outdoor generators running in all seasons.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Barrier Posts with Belts	Brady, Lavi, Queueway, Retracta-Belt, Tensabarrier, Tensator	Barrier posts with belts direct pedestrian traffic in offices, theaters, museums, airports, and other high-traffic venues. The portable posts have belts that stretch from one post to another to create a barrier or walkway. Barrier posts with belts block access to private areas, guide people to appropriate entrances and exits, and prevent access to hazards. 
LED Road Flares & Safety Lights	Aervoe, Bouton Optical, ECCO, EMI, FlareAlert, Powerflare, Tapco	Flares and flare accessories create a safety zone and control traffic around a vehicle, accident scene, or road obstruction. LED flares produce a 360° beacon that can be seen for miles. Models with magnetic bases can keep light elevated for greater visibility. LED road flares and safety batons are battery-powered, emit no harmful bi-products, and can be reused. Emergency flares, flare holders, safety kits, and safety cases can be stored in fleet vehicles to help keep drivers safe during vehicle breakdowns and other traffic emergencies. 
Marking & Warning Tapes	3M, Condor, Brady, Harris, Incom Manufacturing, Armadillo Tape	Marking and warning tape distinguishes areas, marks equipment or vehicles, indicates hazards, or conveys a message. It has an adhesive backing and is available in rolls or die-cut individual shapes, such as arrows and footprints. 
Megaphones	Amplivox, Federal Signal, Speco, Grainger Approved	Make sure they hear you with a megaphone from Grainger. Choose horns ranging in diameter from 7.5" to 14" and from 10W to 45W of power. The higher-powered battery-operated megaphones get attention up to 1-3/8 miles. Some speakers feature detachable microphones. Also find a megaphone storage case here. Grainger makes sure you're ready. 
Pennants	Annin Flagmakers, Brady, Cortina, Grainger Approved	Browse a selection of pennants from Grainger. Use pennant strings for retail store and brand identification, business grand openings, real estate sales and sales promotions. Choose from a selection of 15, 36 and 60 pennants in a string. Attract attention to your business needs by displaying pennant flags blowing in the wind. Use pennants to promote your business, event, car dealership and more.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Traffic Barricade & Traffic Cone Accessories	Cortina, Retractable-Cone, Tensabarrier, Grainger Approved	Traffic barricade and traffic cone accessories extend the use of barricades and cones and keep them in good working order. Beams, bars, panels, and belts block traffic and direct it away from hazards. Lights draw attention to cones and barricades. Bases, weights, and barricade feet and legs ensure cones and barricades remain upright. Signs and cone collars communicate safety messages to pedestrians and drivers. Cone holders, carts, and storage bags help organize and store cones when not in use. 
Traffic Cones	Brady, Grainger Approved, JBC Revolution	Traffic cones and posts are used to direct traffic in work zones and emergency situations. They are smaller than traffic barrels, making them easy to transport. They are lightweight and can be placed and transported in emergency vehicles or trucks. 
Whistles	ASP, Grainger Approved, Heros Pride, Spaulding, Teksport	Whistles produce a loud, piercing tone to attract attention. They are used in recreational rooms, basketball courts, and gyms. They can also help save lives in emergency situations. 
Chemical Resistant & Disposable Aprons	Ansell, Cellucap, Condor, DuPont	Chemical-resistant and disposable aprons protect people and clothes from damage caused by chemicals and other liquids. Aprons with sleeves cover the arms and torso, while bib aprons provide partial protection to the front of the body. They are secured with ties or snaps. 
Coated Gloves	Condor, Ansell, MCR Safety, Kimberly-Clark, Showa, Superior	Coated general purpose knit gloves provide a secure grip and protect hands when performing light tasks where cut hazards are not a concern, such as handling light cardboard and some automotive parts. Coated gloves provide a more secure grip than uncoated gloves and provide resistance to some types of liquids. These seamless knit gloves are breathable and form-fitting and have a knit cuff to keep the glove in place and keep out dirt and other contaminants. 
Cut-Resistant Gloves	Ansell, Condor, BDG, MCR Safety, Showa, Superior	Cut-resistant gloves protect the wearer from lacerations and some punctures caused by handling sharp items, such as metal and glass. Cut-resistant gloves are worn in applications where workers encounter sharp workpieces, such as general maintenance and warehouse work, automotive assembly, metalworking, metal stamping and pressing, and installing duct work.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Disposable Barrier Gowns	Ansell, Cellucap, Condor, Edge, Grainger Approved	Disposable barrier gowns protect people and clothing from chemical or biohazard splash in medical, laboratory, and cleanroom environments. They also cover patients undergoing medical procedures. 
Disposable Gloves	Condor, Ansell, MCR Safety, Kimberly-Clark, Showa, Superior	Disposable gloves create a barrier between your hands and objects you are handling to keep hands clean and protected and keep oils and dirt on your hands from transferring to the objects. Single-use gloves are throw away after each task to prevent cross contamination. Thinner gloves offer higher dexterity and better touch sensitivity, while thicker offer more protection for hands. 
Disposable Respirators & Dust Masks	3M, Honeywell North, Moldex, Condor, Kimberly-Clark, Propac	General purpose disposable respirators and dust masks are designed to be worn once and thrown away. Masks cover the nose and mouth to filter harmful airborne particles. Dust masks provide general protection. Respirators are NIOSH-rated for particulate protection. 
Respirator Fit Testing	3M, Allegro, Honeywell North, MSA, Nextteq	Fit testing items are used to make sure a respirator is properly fitted to the wearer's face. 
Protective Goggles	Honeywell Uvex, Condor, Kleenguard, Paulson, Pyramex	Protective goggles shield a worker's eyes to prevent eye damage. They protect against impact and block dirt, dust, debris, chemicals, or liquid from entering the eyes. Goggles have lenses that provide visibility and wrap-around frames or straps that secure them on the wearer's head. Safety goggles are commonly worn in laboratories, construction or landscaping sites, manufacturing facilities, automotive repair shops, or woodworking environments. 
Public Safety Vests	Ability One, Condor, DMS, DQE, Ergodyne, ML Kishigo	Public safety vests are worn by police, firefighters, and emergency response personnel to identify workers and keep them visible in all lighting conditions. Reflective stripes ensure workers can be seen in low light conditions. Vests are oversize to fit over clothing. The short waist leaves belts and equipment easily accessible. 
Rain Ponchos	Condor, Honeywell North, River City	Rain ponchos are made from water-repellent materials to provide lightweight upper body rain protection. They are portable, and can be quickly put on when weather hits. They are used for rain protection when working outdoors, or in light washdown environments.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Safety Glasses	Condor, Bolle Safety, Edge Eyewear, 3M, ESS, Elvex, Uvex, MCR	Safety glasses shield a worker's eyes to prevent eye damage. They block dirt, dust, debris, chemicals, or liquids from entering the eyes. Glasses have lenses that provide visibility. Safety glasses are commonly worn in laboratories, construction or landscaping sites, manufacturing facilities, automotive repair shops, or woodworking environments. 
Emergency Response Cots & Beds	FSI, Kamp-Rite, Texsport, Propac	Emergency cots provide space for people to lie down in emergency situations. These fold-up cots sometimes have attached IV poles or high-density mattresses. 
Incident Command & Triage Supplies	DMS, DQE, FSI, Harris	Incident command and triage supplies are used to set up command centers and triage units in emergency situations. They help personnel provide an organized response to an emergency. 
Temporary Emergency Shelters	FSI-North, EZ-Up, Propac	Temporary emergency shelters can be used to create an enclosed area for remote command centers, emergency shelters, medical pneumatic tents, field hospitals, vaccination centers, and similar facilities during disaster response. 
Adhesive Bandages	First Aid Only, Grainger Approved, Honeywell, Medi-First	Adhesive bandages, tapes, and gauze products provide wound treatment for workplace accidents. 
Bathroom & Medical Scales	Taylor, Doran, Adam Equipment, Rice Lake	Browse a selection of medical scales from Grainger. There are physician scales, medical scales, wheelchair scales and baby scales. Steel platform physician scales feature a large, clear LCD display, hold and tare function. A height rod measuring in inches and centimeters comes standard. Baby scales offer reliable weighing in a safe and secure cradle. The smooth contours help divert spills and offer secure support. 
Bloodborne Pathogen Kits	Honeywell, SafeTec, First Aid Only, Grainger Approved, First Voice	Bloodborne pathogen kits are for use around bodily fluid and blood spills and cleanup. 

Certain high-demand products are subject to limited availability. Please check [Grainger.com](https://www.grainger.com)® for current availability.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Blood Pressure Monitors	HCS, Mabis, Medsource, Omron, EMI, Dynarex	Blood pressure monitors, also known as sphygmomanometers or blood pressure cuffs, are wrapped around a patient's arm to measure and monitor blood pressure. Blood pressure monitors are used in physicians' offices, emergency rooms, ambulances, clinics, and hospitals. 
First Aid Gauze, Pads & Wraps	First Aid Only, Honeywell, Medsource, Dynarex, Covidien	First-aid gauze, pads, and wraps provide relief for non-critical injuries. Bandages, gauze, pads, and wraps cover wounds to help keep out contaminants. 
Medical Equipment & Procedure Carts	Lakeside, Metro, Eagle, AFC Industries	Medical equipment and procedure carts have shelves, drawers, and other features for storing, dispensing, and monitoring inventory of medical equipment and supplies. These wheeled carts are used in healthcare settings such as hospitals, surgical centers, doctor's offices, and nursing homes. 
Medical Scissors & Shears	EMI, First Aid Only, Honeywell, Mabis, Medi-First, Physiciancare	Medical scissors and shears cut through bandages, clothing, and other materials during exams, first-aid, and emergency-care situations. Lister bandage scissors and other medical scissors have slimmer blades than medical shears and provide precise control when removing bandages and dressings or cutting through thin materials. Also known as trauma shears, medical shears have a large offset handle that increases leverage when cutting tough materials such as seatbelts, denim, and leather. 
Medical Swabs & Applicators	HCS, Puritan, Purflock, First Aid Only, Dynarex, Medique	Medical swabs and applicators are used for medical tasks such as cleaning wounds, applying ointments, and taking specimens for analysis. They provide precise control, reduce skin-to-skin contact to help prevent infections, and minimize the caregiver's exposure to medications and body fluids. 
Medical Thermometers & Temperature Screening Devices	Mabis, Healthsmart, HCS, Grainger Approved	Medical thermometers and temperature screening devices measure body temperature to help detect infection and illness or monitor treatment and recovery. Oral thermometers are the most commonly used type of thermometer. They provide a baseline of comparison for other temperature-taking methods. Noncontact infrared thermometers measure forehead temperature without touching the skin. 
Medicinals, Non Prescription Medication	Medi-First, Medique, Grainger Approved	Nonprescription medication delivered in single-dose packaging provides relief for a variety of ailments. 

Certain high-demand products are subject to limited availability. Please check [Grainger.com](https://www.grainger.com)® for current availability.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Sharps Containers	Covidien, Sharps Assure, Stericycle, First Aid Only	Sharps containers are puncture-resistant boxes that keep needles, lancets, and other medical supplies with sharp edges contained for disposal. They help prevent cuts and accidental exposure to contaminated medical waste. Their specially designed lid allows sharps to be deposited in the container while preventing them from being easily removed. 
Stethoscopes	Mabis, Littmann, HCS, EMI, Dynarex	Stethoscopes have a metal disc that is pressed against a patient's chest to listen to heartbeats for potential problems. 
Tongue Depressors	First Aid Only, Unimed Midwest, Honeywell, Medique	Tongue depressors hold down a patient's tongue to allow a clear view of the throat, teeth, and back of the mouth during an examination. They can also be used as finger splints and as spatulas for mixing and applying medications. Also known as tongue blades, tongue depressors are made of smooth wood that resists splintering or splitting. Individually wrapped sterile tongue depressors are suitable for use in surgical settings. 
Topical Ointments, Creams & Antiseptics	First Aid Only, Medique, Grainger Approved	Topical ointments, creams, and antiseptics coat minor wounds to clean them, relieve pain, or promote healing. Antiseptics clean skin or minor wounds. Antibiotic sprays and ointments kill germs that can cause infection. Topical burn relief products relieve pain caused by minor burns. Itch relief products help users resist scratching stings, bites, and allergic reactions caused by skin irritants. 
Bulk Containers & Accessories	Buckhorn, Myton, Orbis, Decade Products	Ship a variety of large or bulky materials with bulk containers at Grainger. You'll find a great selection of collapsible, and reusable bulk containers that can help reduce shipment costs. Pack your bulk containers with all types of food, beverages or other industrial-size products. From wire containers for increased ventilation to smooth surfaces to help protect your stored products—you're sure to find the variety of bulk containers you need at Grainger. 
Duct & Cloth Tapes	3M, Ability One, Gorilla, Nashua, Shurtape, Tapecase, Polyken	Duct tape and cloth tape are single-sided and have a strong, water-resistant adhesive. They are flexible and adhere to a variety of surfaces and surface shapes. 

Certain high-demand products are subject to limited availability. Please check [Grainger.com](https://www.grainger.com)® for current availability.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
General Purpose Hand Trucks	Ability One, Dayton, Magliner, Grainger Approved	Transport or lift your products with general-purpose hand trucks you need to get the job done. Choose from complete selection of 200-lb. capacity loads up to 1000-lb. capacity loads. You'll find a variety of handle types that are suitable for your needs, including continuous frame loop handles, flow back and more. Shop Grainger for your general purpose trucks today. 
Pallet Jacks	Dayton, Big Joe, Yellow Jack-It, Grainger Approved	Pallet jacks from Grainger provide leverage to help you lift heavy pallets full of inventory or materials in the warehouse, on the loading dock or at the jobsite. Pallet jacks offer sturdy steel construction and often feature cushion grip handles for comfort. Color code pallet trucks to different areas or workers. 
Shelf & Utility Carts	Akro-Mils, Grainger Approved, Metro, Rubbermaid	Shelf and utility carts are wheeled vehicles with open shelves that can be loaded with supplies, equipment, and products to organize, transport, and store them. Plastic-shelf utility carts are lighter than metal-shelf utility carts and can resist dents, corrosion, and water damage. Metal-shelf utility carts are more rugged and have a higher weight capacity than plastic-shelf utility carts. Wire utility carts let dust and debris fall through and away from the cart and allow air to circulate through the cart. 
Security Carts	Durham, Grainger Approved, Jamco, Little Giant, Metro, Royal	Security carts are wheeled carts with enclosed shelves that are used to store, organize, and move equipment, tools, supplies, and packages. Also known as mobile storage lockers, they have locking doors and other features that secure valuable items on the carts from theft, tampering, or loss. Security carts are used in manufacturing plants, warehouses, construction sites, and other industrial environments. 
Chair & Table Carts	Dayton, Grainger Approved, National Public Seating, Raymond	Chair and table carts are used to move and store folding tables and/or folding or stackable chairs in event spaces, conference centers, schools, and other facilities where temporary furniture is used. These wheeled carts keep the tables and chairs organized during transport and storage. 
Clipboards	Saunders, Ability One, Grainger Approved, Detectamet	Pick up clipboards at Grainger to help keep papers secure and provide a hard writing surface when you're working in the field, on the jobsite or in the plant. A portable desktop clip board can serve as a writing surface and paperwork storage unit. Choose from a variety of sizes in lightweight aluminum, hardboard, polypropylene materials and more. When you need clipboards, think of Grainger first!

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Coronavirus & Social Distancing Signs	Accuform, Brady, Condor, Floor-Mark, Zing, Grainger Approved	<p>Coronavirus and social distancing signs set boundaries to limit close contact between people, mark areas under quarantine, and provide guidance for preventing the spread of coronavirus.</p> 
Display & Presentation Easels	American Metalcraft, Mastervision, Quartet	<p>Bulletin boards, easels, easel pads, and dry-erase boards and sheets relay important information to employees and customers. Bulletin boards are generally hung on walls and easels and easel pads are portable and are often used to give presentations and take notes in meetings.</p> 
Extension Cords	PowerFirst, Southwire, Hubbell Wiring, CEP, Grainger Approved	<p>Extension cords are a length of flexible electrical cable used to bring power to a device located up to 100 ft. away. They are typically used when a device's cord is too short to reach a power source, such as an electrical outlet, or where outlets may be scarce. They have a two- or three-prong plug at one end that connects to the power source and a molded outlet at the other end that devices plug into. Extension cords with a single outlet have a single receptacle, while cords with multiple outlets have two or more receptacles.</p> 
File Boxes	Bankers Box, Vaultz, Storex, Pendaflex	<p>Pick up a supply of sturdy file boxes to hold and store operational records and more. Durable corrugated fiberboard banker boxes, made of recycled materials and offered in letter and legal sizes, give you a choice of flip-top, fold-down, lift-off and string-and-button closures. Choose from white, kraft and black. Drawer-style banker boxes can be stacked and connected with metal braces to help provide stability. Also find plastic and cart-style file boxes at Grainger. Shop online today!</p> 
File Folders	Ability One, Pendaflex, Universal One, Smead	<p>Get your file folders at Grainger to help keep documents organized and easy to find. Letter- and legal-size folders come in plain manila and a variety of other colors, including color assortments to help you color-code your records. Choose from $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{5}$ and $\frac{12}{5}$ tab cuts and from plain and fastener-style file folders.</p> 
Folding & Stackable Chairs	National Public Seating, Grainger Approved, Iceberg	<p>Folding chairs and stackable chairs from Grainger outfit meeting rooms and corporate events with style and comfort. Folding chair models feature molded plastic, padded metal and upholstered seats. Stacking chair options offer contoured or upholstered, cushioned seats and steel legs. Matching, guest chairs with arms are also available.</p>

CATEGORY	BRANDS	RANGE OF PRODUCTS
Folding Tables	Iceberg, Ability One, National Public Seating	<p>Easily accommodate large groups during company functions and events with durable, easy to set up folding tables. These lightweight, easy-to-clean tables can hold up well under the elements and fold up for space-saving storage when not in use. Grainger carries a selection of folding tables ideal for a variety of events such as training, dining and more.</p> 
Highlighters	Ability One, Bic, Pilot, Sharpie, Skilcraft	<p>Standard highlighters draw attention to important details by applying bright and colorful transparent ink to paper documents. Highlighter ink can be applied over text without smearing. They are suitable for color-coding information in forms and documents.</p> 
Hook & Loop Fasteners	3M, Velcro, Dual Lock, Fastenation, Tapecase	<p>Hook and loop fasteners can create strong, temporary bonds in applications such as construction, manufacturing, and medical devices. They feature small, stiff hooks on one side, and soft, pliable loops on the other. The hooks grasp the loop fibers to create a strong closure until they are pulled apart again.</p> 
ID Card Printer Accessories	Sicurix, Evolis, Magicard, Badgy, Accuform, Grainger Approved	<p>Pick up the ID card printer accessories you need from Grainger, including blank ID cards, retractable badge holders and lanyards so badges can be worn around the neck. Replenish printer ribbon supplies in your choice of color, black and hologram ribbon cartridges. Help protect ID cards with clear plastic laminate. Grainger carries a wide range of ID card printer accessories to help you stock up on whatever you need.</p> 
ID Card Printers	Badgy, Evolis, Sicurix, Zebra, Entrust Datacard	<p>An ID card printer from Grainger can help you create plastic identification badges, ID cards, loyalty and gift cards quickly and easily. Find printers that can imprint information on one side of the card or both, in full color or monochrome. Accountability kits include a standard laptop, software that can enable on-scene data capture and incident management, a 2D barcode scanner and more. Get an ID card printer from Grainger to help ensure everyone who is in your building belongs there.</p>

CATEGORY	BRANDS	RANGE OF PRODUCTS
Infectious Substance & Specimen Packaging	Polar Tech, LK Packaging, HCS, Grainger Approved, Medegen	<p>Lab supplies are used for conducting controlled and precise tests, research, and experiments in laboratories. Labware, lab trays, and lab pans are used to transport, store, and hold material in the lab. Lab utensils and instruments are used to measure, mix, sort, handle, dispense, and analyze lab materials precisely and efficiently. Lab furniture and laboratory equipment such as scales, stands, centrifuges, and microscopes keep laboratories organized and allow them to function. Lab chemicals and consumables help provide reliable, accurate results.</p> 
Pencils	Pentel, Bic, Ability One, Dixon, Papermate	<p>Pencils create temporary graphite, wax, or charcoal marks on building materials and writing surfaces. Pencils with wood bodies can be sharpened to refresh the writing tips. Carpenter's pencils feature wide, flat bodies that resist rolling on flat surfaces. Mechanical pencils use thin, graphite inserts that provide a consistent, fine point for detailed work in architectural design.</p> 
Pens	Ability One, Bic, Pilot, Uni-ball	<p>Pens transfer permanent or washable inks onto paper like checks and documents in office, classroom, and plant or warehouse environments. Gel, rollerball, and ballpoint pens have rolling ballpoint tips that distribute a controlled amount of ink on paper. Felt tip pens have soft, fibrous tips that can write on multiple surfaces.</p> 
Reclosable Poly Bags	Ziploc, Minigrip Red Line, HCS, Ability One, Grainger Approved	<p>Reclosable poly bags keep items organized and protect them from dirt, moisture, and static. Bags have a drawstring or zip-type closure that can be opened and closed multiple times. Use reclosable bags to store screws, mail, food, or static-sensitive parts.</p> 
Safety Utility Knives	Stanely, Olfa, Klever, Martor, Pacific Handy Cutter, Westward	<p>Let Grainger help you prevent injuries when cutting materials with a selection of safety utility knives that feature a secure grip and recessed blades. Choose from a variety of lengths and styles such as hook, double wall hook, self-retracting, round point and more.</p> 
Surge Protectors & Power Strips	Tripp Lite, Southwire, Power First, Lumapro, APC, KH Industries	<p>Power strips and surge protectors are portable blocks of electrical sockets used to provide power to multiple devices at the same time from one power outlet. Power strips with surge protectors protect the connected devices from damage due to unexpected voltage increases, which can be produced by power outages, lightning, and other causes. They are typically used with computers, TVs, and other sensitive electronic equipment to help prevent system crashes, corrupted data files, and hardware failure.</p>

CATEGORY	BRANDS	RANGE OF PRODUCTS
Wet & Dry Erase Markers	Quartet, Ability One, Pilot, Expo, Bic	<p>Wet- and dry-erase markers write on whiteboards and laminated calendars with temporary inks that can be wiped away quickly. Wet-erase marker inks must be wiped away with a damp cloth or wipe, making them less likely to be erased by accidental contact. Dry-erase marker inks can be removed by an eraser or dry cloth without the use of cleaning wipes or spray bottles.</p> 
Disinfectants & Sanitizers	Diversey, Clorox, Tough Guy, Simple Green, Zep, Lysol	<p>Disinfectants and sanitizers significantly reduce the amount of germs on hard nonporous surfaces to stop the germs from spreading, but they may not completely destroy or eliminate these organisms. They also kill most pathogens and disease-causing microscopic organisms on surfaces to lower the risk of transmitting infection. These cleaning products are commonly used in hospitals, schools, office buildings, restaurants, and hotels.</p> 
Facial Tissues & Dispensers	Ability One, Georgia-Pacific, Tough Guy	<p>Facial tissues are soft, absorbent paper sheets designed for cleansing the face or blowing the nose. Also known as boxed tissues, these disposable tissues come in a cardboard box for convenient, one-at-a-time use. The boxes are commonly placed in wall- or surface-mounted dispensers for use in restrooms, break rooms, and other public areas.</p> 
Hand Sanitizer & Dispenser Accessories	Purell, Rubbermaid, Georgia Pacific, Best Sanitizers	<p>Hand sanitizer and dispenser accessories help maintain and modify hand sanitizing stations in locations where access to soap and water is not available. They include stands for mounting dispensers and pump kits for dispensing sanitizer directly from bulk containers.</p> 
Hand Sanitizer Wipes	Purell, Zepp, Tough Guy, Care Wipes, Art & Cook	<p>Hand sanitizer contains agents that kill bacteria and germs. It's commonly used to clean hands when soap and water are not available. It helps reduce the risk of spreading germs. Sanitizer in liquid, foam, or gel form can be rubbed onto hands, while sanitizing cloths wipe hands clean.</p> 
Hand Care	Ability One, Bowman, GOJO, Tough Guy, Zepp	<p>Hand care products help promote effective hand washing and germ control in hospitals, hospitality facilities, and workplaces. They are typically supplied in patient rooms, bathrooms, break rooms, locker rooms, and other high-traffic areas. Hand soaps and industrial hand cleaners remove dirt, grease, and grime from hands while hand and body wipes are ideal when soap and water are unavailable. Hand sanitizers and dispensers help visitors and employees fight germs and bacteria while on the go.</p>

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Hand Sanitizers	Purell, Rubbermaid, Georgia Pacific, Best Sanitizers, Zep, Clorox	Hand sanitizer contains agents that kill bacteria and germs. It's commonly used to clean hands when soap and water are not available. It helps reduce the risk of spreading germs. Sanitizer in liquid, foam, or gel form can be rubbed onto hands, while sanitizing cloths wipe hands clean. 
Hand Soap & Dispensers	GOJO, Georgia-Pacific, Zep, Rubbermaid, Purell, Dial, Ability One	Hand soaps are used with running water to remove dirt, grease, grime, paint, and other soils from hands. Hand soap dispensers provide a premeasured amount of soap to help prevent waste. These hand soaps and cleaners are suitable for general purpose hand washing in bathrooms, break rooms, shop floors, and other workplace environments. 
Hazardous Waste Bags & Transport Bags	Ability One, Tough Guy, Grainger Approved	Hazardous waste bags and transport bags are used to collect infectious medical waste, as well as waste that contains heavy metals, toxic materials, and chemicals that require special handling. Hazardous waste bags are used in hospitals, nursing homes, and industrial settings where hazardous waste is produced. 
Paper Towel Rolls	Ability One, Georgia-Pacific, Tough Guy, Kimberly-Clark	Paper towel rolls are disposable, absorbent sheets used to dry hands, wipe surfaces, and clean up spills in kitchens, breakrooms, restrooms, and other areas that require cleanup. Paper towel rolls offer softness and absorbency to dry hands quickly. These rolls are designed to be compatible with corresponding dispensers. 
Surface Disinfecting & Sanitizing Wipes	Diversey, Clorox, Tough Guy, Lysol, Zep, Caviwipes	Wet cleaning wipes are disposable cloths that are used to clean, disinfect, and sanitize nonporous surfaces, helping keep workers healthy and facilities clean. Disinfecting and sanitizing wipes contain a disinfectant to significantly reduce the amount of germs on surfaces and lower the risk of transmitting infection. Cleaning wipes include a cleaning agent that breaks down grease, oils, dirt, and other contaminants. 
Toilet Paper Rolls	Ability One, Georgia-Pacific, Tough Guy, Kimberly-Clark	Toilet paper is paper tissue that is provided near toilets to facilitate personal hygiene and cleanliness. Also known as bathroom tissue or toilet tissue, these paper rolls or sheets are typically installed in a compatible dispenser for use in restrooms in office buildings, schools, food service, and healthcare facilities.

YOUR SOURCE FOR MASS DISPENSING SOLUTIONS

With over 1.5 million items to choose from, Grainger offers a broad range of solutions to support mass vaccination or medical countermeasure distribution activities and maintain cold-chain integrity.

CATEGORY	BRANDS	RANGE OF PRODUCTS
Trash Can Lids	Rubbermaid, Tough Guy, Continental	Trash can lids are used with compatible cans to help contain waste and odors, keep out water, and keep pests from disrupting waste. 
Trash Cans	Rubbermaid, Tough Guy, Continental	Trash cans are used to collect, contain, and sort waste. They are used indoors and outdoors for general purpose collection and sorting. Plastic garbage cans resist dents and cracking, are generally lighter than metal cans, and are often used in back-of-house and office settings. Metal cans won't warp or absorb odor and are often used in building lobbies and other locations where appearance is important. Trash cans can be used with liner bags to keep cans clean and ease pickup. 
Disposable Cups	Dixie, Dart, Solo Cup	Paper and polystyrene disposable cups from Grainger save on dishwashing energy and breakage and efficiently handle hot and cold drinks. Keep coffee, tea and other hot drinks hot, and maintain the chill of cold drinks such as milk and soda. Choose from numerous capacities, ranging from 4-oz. paper cone cups to 16-oz. white polystyrene cups and sizes in between. 
Disposable Cutlery	Dixie, Ability One, Grainger Approved	Use disposable plastic cutlery from Grainger and save on energy costs incurred by running a dishwasher as well as the cost of giving away your flatware. Plastic forks, spoons, sporks and knives are perfect for fast-food and takeout restaurants and delis that provide diners with utensils to eat the foods they sell them. Choose from light-, medium- and heavy-weight plastic cutlery at Grainger online. 
Disposable Plates	Dixie, Dart	Disposable plates from Grainger include foam plates, plastic plates and paper plates that can be tossed in the trash, put in the recycling bin or even composted. Choose from round and square dinner plates, dessert plates, hot dog trays, dishes with lids and more. Black, white and clear disposable plates from Grainger offer a convenient solution to china and stoneware. Shop today! 
Sports Drinks & Thirst Quenchers	Gatorade, Sqwincher, All Sport	Sports drinks and thirst quenchers keep workers hydrated after physical exertion. They are for high-heat environments to reduce heat stress related illness.
